1. **The Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013 ('the Act'), in respect of the business under Item Nos. 4-8 (Special Business) above is annexed hereto.**
2. **The Register of Members and Share Transfer Books of the Company will remain closed from Tuesday, September 02, 2025 to Monday, September 08, 2025 (both days inclusive) for the purpose of AGM**

Item No.4: The Board of Directors of the Company, based on the recommendation of the Nomination and Remuneration Committee, had appointed **Mrs. Saumya Varma (DIN: 11087724)** as an **Additional Director (Independent and Woman Director Category)** of the Company with effect from 7thMay2025, in accordance with the provisions of Section 149, 152 and 161(1) of the Companies Act, 2013 ("the Act") read with the Companies (Appointment and Qualification of Directors) Rules, 2014, and applicable provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Pursuant to the provisions of Section 161 of the Act, Mrs. Saumya Varma holds office as an Additional Director up to the date of the ensuing General Meeting. In the opinion of the Board, she fulfils the conditions for her appointment as an Independent Director and is independent of the management.

Accordingly, the Board recommends the resolution for regularisation and appointment of Mrs. Saumya Varma as an **Independent Director**, not liable to retire by rotation, for a term of 5 consecutive years, to the shareholders for approval by way of an Ordinary Resolution

His tenure will continue beyond the age of 70 years.

As per the provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations"), there is no restriction on continuation of a person as an Independent Director beyond 70 years of age. However, as a matter of good governance and in view of the valuable experience and continued contribution of Mr. Guha to the Board, the Board of Directors, based on the recommendation of the Nomination and Remuneration Committee, has proposed the continuation of Mr. Chinmay Kumar Guha as an Independent Director of the Company even after attaining the age of 70 years.

Mr. Guha is a seasoned professional with vast experience in Banking, Invest Banking e.g., finance, Investment strategic planning, corporate governance, etc. and the Board considers that his continued association would be of immense benefit to the Company.

In accordance with Regulation 17(1A) of the SEBI LODR Regulations, the continuation of a Non-Executive Director who has attained the age of 75 years requires the approval of shareholders by way of a Special Resolution. However, Mr. Guha is yet to attain the age of 75 years, and the proposed resolution is being placed for approval to ensure transparency and to comply with good corporate governance practices.

Accordingly, the Board recommends the Special Resolution as set out in the accompanying Notice for the approval of the members.

In the opinion of the Board, he is a person of integrity, possesses relevant expertise and experience, and fulfills the conditions specified under the Act and the SEBI Listing Regulations for such re-appointment.

Brief profile of Mr. Chinmay Kumar Guha, including nature of his expertise, directorships in companies, committee memberships is provided in the Annexure to the Notice.

Item No.7: The Board of Directors of the Company proposes to enhance the limits for making investments, giving loans, guarantees or providing securities under Section 186 of the Companies Act, 2013 ('the Act'), in order to support the Company's future growth plans, strategic investments, and business operations.

As per the provisions of Section 186(3) of the Act, a Company is required to obtain approval of the

shareholders by way of a Special Resolution if the aggregate of the loans and investments so far made, the amount for which guarantees or securities so far provided to any person or body corporate, along with the investments, loans, guarantees or securities proposed to be made or given, exceeds sixty percent of its paid-up share capital, free reserves and securities premium account or one hundred percent of its free reserves and securities premium account, whichever is more.

Accordingly, in order to enable the Company to make further investments, provide loans, guarantees or securities to various persons or bodies corporate, including subsidiaries, joint ventures, associates, etc., as may be considered necessary for the business of the Company, it is proposed to enhance the existing limits and authorize the Board of Directors to make such investments or provide such loans, guarantees or securities for an amount not exceeding Rs.50,00,00,000/- (Rupees Fifty Crores only).

None of the Directors, Key Managerial Personnel of the Company and their relatives is, in any way, concerned or interested, financially or otherwise, in the said resolution.

Item No.8: The Board of Directors of the Company proposes to enhance the existing borrowing limits, in excess of the aggregate of the paid-up share capital, free reserves and securities premium of the Company, as prescribed under Section 180(1)(c) of the Companies Act, 2013 ('the Act'), to meet the growing business requirements, expansion plans and working capital needs of the Company.

As per the provisions of Section 180(1)(c) of the Act, the Board of Directors of a company cannot borrow money (apart from temporary loans obtained from the company's bankers in the ordinary course of business) in excess of the aggregate of its paid-up share capital, free reserves and securities premium, without the consent of the shareholders of the Company by way of a special resolution.

Accordingly, the approval of the members is sought to authorize the Board of Directors (including any Committee thereof), to borrow money from time to time, for the purposes of the business of the Company, notwithstanding that the money so borrowed together with the monies already borrowed may exceed the aggregate of the paid-up share capital, free reserves and securities premium, provided that the total outstanding amount of such borrowings shall not at any time exceed the overall limit as may be approved by the members and shall not exceed the **sum of Rs.1,50,00,00,000 (Rupees One Hundred Fifty Crores only)**.

ANNEXURE TO THE NOTICE**EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**

As required by Section 102 of the Companies Act, 2013 (the “Act”), the following Explanatory Statement sets out all material facts relating to the business mentioned under Item No. 04-08 (Special Business) of the accompanying Notice dated August 13, 2025

Item No.4: The Board of Directors of the Company, based on the recommendation of the Nomination and Remuneration Committee, had appointed **Mrs. Saumya Varma (DIN: 11087724)** as an **Additional Director (Independent and Woman Director Category)** of the Company with effect from 7thMay2025, in accordance with the provisions of Section 149, 152 and 161(1) of the Companies Act, 2013 (“the Act”) read with the Companies (Appointment and Qualification of Directors) Rules, 2014, and applicable provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Pursuant to the provisions of Section 161 of the Act, Mrs. Saumya Varma holds office as an Additional Director up to the date of the ensuing General Meeting. The Company has received a notice in writing from a Member under Section 160 of the Act proposing the candidature of Mrs. Saumya Varma for the office of Director.

In the opinion of the Board, she fulfils the conditions for her appointment as an Independent Director and is independent of the management.

Accordingly, the Board recommends the resolution for regularisation and appointment of Mrs. Saumya Varma as an **Independent Director**, not liable to retire by rotation, for a term of 5 consecutive years, to the shareholders for approval by way of an Ordinary Resolution

None of the Directors, Key Managerial Personnel of the Company, or their relatives, except Mrs. Saumya Varma herself, is concerned or interested, financially or otherwise, in the said resolution.

His tenure will continue beyond the age of 70 years.

As per the provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI LODR Regulations”), there is no restriction on continuation of a person as an Independent Director beyond 70 years of age. However, as a matter of good governance and in view of the valuable experience and continued contribution of Mr. Guha to the Board, the Board of Directors, based on the recommendation of the Nomination and Remuneration Committee, has proposed the continuation of Mr. Chinmay Kumar Guha as an Independent Director of the Company even after attaining the age of 70 years.

Mr. Guha is a seasoned professional with vast experience in Banking, Invest Banking e.g., finance, Investment strategic planning, corporate governance, etc. and the Board considers that his continued association would be of immense benefit to the Company.

In accordance with Regulation 17(1A) of the SEBI LODR Regulations, the continuation of a Non-Executive Director who has attained the age of 75 years requires the approval of shareholders by way of a Special Resolution. However, Mr. Guha is yet to attain the age of 75 years, and the proposed resolution is being placed for approval to ensure transparency and to comply with good corporate governance practices.

Accordingly, the Board recommends the Special Resolution as set out in the accompanying Notice for the approval of the members.

Mr. Guha has provided a declaration confirming that he meets the criteria of independence as prescribed under Section 149(6) of the Companies Act, 2013 and the applicable regulations of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. In the opinion of the Board, he is a person of integrity, possesses relevant expertise and experience, and fulfils the conditions specified under the Act and the SEBI Listing Regulations for such re-appointment.

Brief profile of Mr. Chinmay Kumar Guha, including nature of his expertise, directorships in companies, committee memberships is provided in the Annexure to the Notice.

The Board recommends the resolution for approval of the members as a Special Resolution.

None of the Directors and Key Managerial Personnel of the Company and their relatives, except Mr. Chinmay Kumar Guha, is concerned or interested, financially or otherwise, in the resolution set out at Item No.6 of the Notice.

Item No.7: The Board of Directors of the Company proposes to enhance the limits for making investments, giving loans, guarantees or providing securities under Section 186 of the Companies Act, 2013 ('the Act'), in order to support the Company's future growth plans, strategic investments, and business operations.

As per the provisions of Section 186(3) of the Act, a Company is required to obtain approval of the shareholders by way of a Special Resolution if the aggregate of the loans and investments so far made, the amount for which guarantees or securities so far provided to any person or body corporate, along with the investments, loans, guarantees or securities proposed to be made or given, exceeds sixty percent of its paid-up share capital, free reserves and securities premium account or one hundred percent of its free reserves and securities premium account, whichever is more.

Accordingly, in order to enable the Company to make further investments, provide loans, guarantees or securities to various persons or bodies corporate, including subsidiaries, joint ventures, associates, etc., as may be considered necessary for the business of the Company, it is proposed to enhance the existing limits and authorize the Board of Directors to make such investments or provide such loans, guarantees

or securities for an amount not exceeding Rs.50,00,00,000/- (Rupees Fifty Crores only).

None of the Directors, Key Managerial Personnel of the Company and their relatives is, in any way, concerned or interested, financially or otherwise, in the said resolution.

Item No.8: The Board of Directors of the Company proposes to enhance the existing borrowing limits, in excess of the aggregate of the paid-up share capital, free reserves and securities premium of the Company, as prescribed under Section 180(1)(c) of the Companies Act, 2013 ('the Act'), to meet the growing business requirements, expansion plans and working capital needs of the Company.

As per the provisions of Section 180(1)(c) of the Act, the Board of Directors of a company cannot borrow money (apart from temporary loans obtained from the company's bankers in the ordinary course of business) in excess of the aggregate of its paid-up share capital, free reserves and securities premium, without the consent of the shareholders of the Company by way of a special resolution.

Accordingly, the approval of the members is sought to authorize the Board of Directors (including any Committee thereof), to borrow money from time to time, for the purposes of the business of the Company, notwithstanding that the money so borrowed together with the monies already borrowed may exceed the aggregate of the paid-up share capital, free reserves and securities premium, provided that the total outstanding amount of such borrowings shall not at any time exceed the overall limit as may be approved by the members and shall not exceed the **sum of Rs.1,50,00,00,000 (Rupees One Hundred Fifty Crores only)**.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance. In our audit of the financial statements of the current period. These matters were addressed in the context of our

audit of the financial statements as a whole, and in forming our opinion thereon, we have determined that there are no key audit matters to communicate in our report.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Boards of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing ('SAs'), we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) of the Act, We are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Annexure B

To The Independent Auditor's Report Of Even Date On The Financial Statements of STRATMONT INDUSTRIES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls over financial reporting of STRATMONT INDUSTRIES LIMITED ("the Company") as of March 31, 2025 in conjunction with our audit of the IND AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the criteria established by the Company considering the size of company and essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the IND AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of IND AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of IND AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the IND AS financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls were operating effectively as at March 31, 2025, based on the assessment of essential components of internal controls over financial reporting stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

c) Impairment of non-financial assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors.

An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's fair value less costs to sell and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

d) Inventories

Inventories if any which comprise of coal/coke are valued at lower of cost and net realizable value. Cost is determined using FIFO Method.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

e) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and cash on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

f) Revenue recognition

Revenue from sale of goods is recognized when all significant risks and rewards of ownership of the goods are passed on to the buyer, recovery of the consideration is probable, the associated costs can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods, and the amount of revenue can be measured reliably. It also includes custom/cess and excludes Goods and Service tax (GST). Sales are stated net of discounts, rebates and returns.

g) Other income**● Interest income**

Interest income from debt instruments is recognized using effective interest rate method (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability.

- Any other income is accounted for on accrual basis.

h) Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are not directly attributable to the acquisition, construction or production of a qualifying asset, are expensed in the period in which they are incurred.

i) Employee Benefits**Short-term employee benefits**

All employee benefits payable wholly within twelve months of rendering the services are classified as short-term employee benefits. Benefits such as salaries, wages, expected cost of bonus and short-term compensated absences, ex-gratia, performance pay etc. are recognized in the period in which the employee renders the related service.

j) Income tax

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities. The tax rates and tax laws used to compute the amount are those that are enacted at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for all taxable temporary differences, except deferred tax liability arising from initial recognition of goodwill or an asset or liability in a transaction

that is not a business combination and, affects neither accounting nor taxable profit/ loss at the time of transaction. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses, except deferred tax assets arising from initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, affects neither accounting nor taxable profit/ loss at the time of transaction. Deferred tax assets are recognized only to the extent that sufficient future taxable income will be available against which such deferred tax assets can be realized.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax asset is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available against which such deferred tax assets can be realized.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the same taxable entity and the same taxation authority.

Deferred tax relating to items recognized outside the statement of profit and loss is recognized in co-relation to the underlying transaction either in other comprehensive income or directly in equity.

k) Provisions and contingencies

A provision is recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost in the statement of profit and loss.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized

because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognized in financial statements, unless they are virtually certain. However, contingent assets are disclosed where inflow of economic benefits are probable.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

I) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

- Level 1-Quoted(unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is un observable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For the purpose of fair value disclosures, the company has determined classes of assets and liabilities based on the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

m) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets**Initial recognition and measurement**

Financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified as:

Financial assets at amortized cost

Financial assets that are held within a business model whose objective is to hold assets for collecting contractual cash flows and whose contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are subsequently measured at amortized cost using the effective interest rate method. The change in measurements are recognized as finance income in the statement of profit and loss.

Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets that are held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets and the assets' contractual cash flows represent solely payments of principal and interest on the principal amount outstanding are subsequently measured at fair value. Fair value movements are recognized in other comprehensive income.

Financial assets at fair value through profit or loss (FVTPL)

Any financial asset which does not meet the criteria for categorization as financial instruments at amortized cost or as FVTOCI, is classified as financial instrument at FVTPL. Financial instruments included within the FVTPL category are subsequently measured at fair value with all changes recognized in the statement of profit and loss.

Financial liabilities**Initial recognition and measurement**

Financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

For the purpose of subsequent measurement, financial liabilities are classified as:

Financial liabilities at amortized cost

Financial liabilities such as loans and borrowings are subsequently measured at amortized cost using the effective interest rate method. The change in measurements are recognized as finance costs in the statement of profit and loss.

Financial liabilities at fair value through profit or loss (FVTPL)

Financial liabilities include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss if the recognition criteria as per Ind AS 109 are satisfied. Gains or losses on liabilities held for trading are recognized in statement of profit and loss. Fair value gains or losses on liabilities designated as FVTPL attributable to changes in own credit risk are recognized in other comprehensive income. All other changes in fair value of liabilities designated as FVTPL are recognized in the statement of profit and loss.

Impairment of financial assets

The company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the financial assets mentioned below:

- Financial assets that are debt instrument and are measured at amortized cost
- Financial assets that are debt instruments and are measured as at FVOCI
- Trade receivables under Ind AS 18

ECL is the difference between contractual cash flows that are due and the cash flows that the Company expects to receive, discounted at the original effective interest rate.

For impairment of trade receivables, the company chooses to apply practical expedient of providing expected credit loss based on provision matrix and does not require the Company to track changes in credit risk. Percentage of ECL under provision matrix is determined based on historical data as well as futuristic information.

n) Earnings per share (EPS)

Basic EPS is calculated by dividing the profit for the year attributable to equity holders of the company by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements inequity shares issued during the year and excluding treasury shares.

Diluted EPS adjust the figures used in the determination of basic EPS to consider

- l The after-income tax effect of interest and other financing costs associated with dilutive potential equity shares and
- l The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

- o) Property, plant and equipment:** An item of property, plant and equipment is recognized as an asset if it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognized in the statement of profit and loss as incurred. When a replacement occurs, the carrying value of the replaced part is de-recognized. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items. Property, plant and equipment is stated at cost or deemed cost applied on transition to Ind AS, less accumulated depreciation and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Trial run expenses are capitalized. Borrowing costs incurred during the period of construction is capitalized as part of cost of qualifying asset. The gain or loss arising on disposal of an item of property, plant and equipment is determined as the difference between sale proceeds and carrying value of such item, and is recognized in the statement of profit and loss.
